The video player includes a play button, a progress bar, and a timestamp of 10:49 / 15:00. To the left of the video player is a comment section with several user comments and their avatars. To the right of the video player is a "VER AHORA" section with a "A LA CARTA" sub-section, listing various sports events with "ver ahora" buttons. The bottom of the page shows a Windows taskbar with the system tray displaying the date and time as 2010 13/05/2016.
